For particulars as to the value of the above collateral, the operations of the railways' properties and their earnings, reference is invited to letters under date of February 24, 1910, from Mr. Ira M. Cobe, Chairman of Governing Committee, Chicago City and Connecting Railways, and Messrs. After 1915 a Sinking Fund will also be provided, which by 1927 will result in reducing the \$22,000,000 issue to \$20,740,000, thus increasing the large margin over the purchase price should the City purchase the property, which purchase price, with the value of the Hammond, Whiting and East Chicago Railway Company, will exceed the outstanding bonds by about \$4,000,000, \* \* \*

The earnings of the properties for the year ended January 31, 1910, applicable after the payment of all prior charges to the securities now owned by the Chicago City and Connecting Railways, aggregated \$2,177,000, or approximately twice the amount required to meet the interest on the proposed issue of \$22,000,000 5 per cent. The control of these deposited securities is vested in Messrs. Elbert H. Gary, Albert J. Earling, Samuel M. Felton as Trustees, subject to all the provisions of the Trust In enture."
